

Voltage **230 V**

Protection class **IP20**

 Declaration of Conformity

Technical data:

|                              |                  |
|------------------------------|------------------|
| Product code                 | WOJ+13827        |
| Voltage                      | 230 V            |
| Energy consumption           | 22 kWh/1000h     |
| Protection class             | II               |
| RA                           | 80               |
| Uniformity of color SDCM max | 5                |
| Working temperature range    | -20/+40 °        |
| Lifespan                     | 17000 h          |
| Housing material             | STAL             |
| Protection class             | IP20             |
| Dimension (axbxc)            | 617x31,7x49,3 mm |
| For use                      | N,A              |
| Application                  | INT              |
| Made in                      | PRC              |

\*Applies to the LED source used. \*\*Luminaire luminous flux
