

# BRANTA METALICA

WQJP07670

LED luminaire BRANTA METALICA, with a power of 27 W, high light efficacy 130 lm/W. It is made of high-quality components, supported by a 5-year warranty. It shines with a warm light (3000K), which promotes relaxation and rest, making the illuminated room cosier. Narrow beam angle 60° gives directional light so that selected objects or surfaces can be better exposed. Designed to be mounted on a track.
